

COLOUR IN 'Reggie

G'DAY, I'M REGGIE.

You might have seen me around the grounds for a while now. I'm the white rabbit with a big smile and an even bigger heart for this Club. I've been a Rabbitoh since 1968, which is a very long time in rabbit years (don't ask).

My advice to you, young Rabbitoh? Back yourself. Love your team. Up the Rabbitohs!
