

# COLOUR IN **Scarlett**

## HI, I'M SCARLETT.

I'm Reggie's daughter, and yes, I'm every bit as competitive as he is. Actually, maybe more. I've played Rugby League my whole life, captained every side I've ever been in, and I reckon if they had let rabbits into the NRL in the '90s, I'd have a premiership ring of my own by now.

I'll see you at the footy, Rabbitohs. Bring your voice because I will definitely bring mine!
